The editor assures his The Bangkok Times denies that Siam has ever Worsdej, who is admiral and commander-in-chief. has no other craft that is fit to carry suything bigger than a field-piece.

The Tientain correspondent of the N. C. Daily Nows writes .- Dr. Macgowan, visiting the north, returned from Peking a few days ago. Yesterday he procured an interview with the Viceroy. He appeared to be pleased with his visit, for he "got what he went for," which is not always the good fortune of those who call on the great man. He went expecting to " get a drubbing" in behalf of his country, and was not disappointed. The Vicercy expressed himself very strongly both as regards the conduct of the U.S. and the dilatoriness of his own go vernment in not at once instituting retaliatory measures for the insult received by his government, and the injury done to many of its subjects. He still thought, however, that satisactory arrangements could be reached between the two governments, by means of a treaty "on the Doctor in an open letter to Secretary Blains It is expected a similar course last year." The Vicercy expressed himself as with regard to the Chilian min being in favour of some such course.

The native officials at Shanghai have, we coinage. learn from the N. O. Daily News, received news Mr. N. J. Hannen, British Consul-General at from Ningpo to the effect that Captain Pei, of Shanghai, has asked British subjects to most in the gunboat Yuank'ai, while oruling after fictitious value of 4s. 2d. while the actual propriety of sending to the Duke of York a Archipelago, came across a band of them hear the island of Taishan, and landing a body of mon in chase was captured by the picates, who have Only 2s. 4d.

Another important question arises as correspondent of the N. O. Daily News, which is one of the fundamental institutions of this dynasty, the day for Chinghai in a gunboat for reinand which is conducted once every three years, forcements and has already proceeded to Tinghai to convoke a longrous for the 7th August. age, is bound to present himself on one of these rumour with good foundation. The evening of sider its rituation with regard t silver.] pective of their being chopped. But chop, same, before the Imperial Commissioners, who ping would at once destroy whatever portion of the value might, be artificial and the coin would then be worth only its intrinsic value. Thus a clean dollar might be worth 4s. 2d. when the inspection ends.

Addington, arrive from Swalow on Satarday. Exchange on sturday opened a farthing higher than on Fday and during the morning the rate advanced nother tarthing.

They become members of the Roman Catholic Church as a means of protecting themselves, and all sense of loyalty and kinduess is destroyed The journal Cocarde professes to have had in their hearts, in such wise that the false faith of Jesus is spread all over the empire, and the Shanpao newspaper misleads the people's sense of perception. Every now and again some ignorant and silly folk barn a chapel or kill the pioneers of heresy, when the Tsung-li Yamen must needs severely punish these offences. Foreigners are allowed to wander where'r they list and examine our important keys to this or that place, to open new ports, and erect additional chapels. Allying themselves with treacherous Chinese, they try to make ctoney by cornering the market, when every now and again the gentry or people in their loyal exasperation will thwart their knavish tricks. On this the Tsung-li Yamen, in dread of bringing war upon their consts, at once order the case may be : in fact there is nothing they will not do in order to plouse foreigners and nemse. Take, for instance, the treaty just now proposed by Russia, mensoing and overbearing, insolently unreasonable : this is all on account of the Tang-li Yamen's fawning obsequiousness to the barbarian. The political blundering of our statesmin is on a par in degree of wickedness us by Chung How, and Chung How is certain to

feel aggrieved if his offence slove is punished; Some try and explain it away in this fashion. beliions were prushed, the result would be more heaven's protection whon we deserve it. than doubtful if a war were allowed to brank out on our frontiers. By-quoting the vague have been everywhere establishing chapels and maxima of our ancient philosophers, they say, inducing ranegade Chinese to join them; and von may make thing; worse, but you cannot this in all of the eighteen provinces. IMPERIAL QUARTO. INGLISH AND CHINES DICTIONARY. WITH THE PUATI AND MANDARIN

PRONUNCIATION.

An Angle-Chinese Dictionary, published at the Daily Press Office, Hongkong. For comprehensiveness and practical service ! . this Work stants unrivalled. All the new words which the Chinese have of latey ears been compelled to coin to express the numerous objects in machinery, photography, telegraphy, and in science generally, which the rapid advance of foreign relations has imposed upon them, are here given in extenso. Each and every word in 10.—Aberdeen Paper Mills Godown Co. the Court and Punti pronunciations are given 34 -Anderson, Capt. G.C., 9.-H'kong & Shanghai principle hitherto attained. The typegraphy displays the success of an attempt to make the Chinese and English type correspond in the size of body, thereby effecting a vast economy of as Blanks II.—Book as Sanghal Booking Corpu.

10.—Anderson, Capt G. C., L.—Hongkong Toleg'ph II.—Ho Tung, Praya Cl.

13.—Bay View Hotel 59.— Do., Res.

Chinese and English type correspond in the size of body, thereby effecting a vast economy of space, achieving a clearness not previously attained, and dispensing with those vast margins and vacant spaces which have heretofore characterised Chinese publications.

To illustrate the vast scope of the work the following facts are submitted forcensideration:—
